

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**SB 412 – HB 627**

February 11, 2017

**SUMMARY OF BILL:** Requires each licensed child care agency to be tested for radon every five years. For initial licensure application or renewal, the Department of Human Services (DHS) is to require the child care agency to provide proof the agency has been tested for radon within the last five years.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Based on information provided by DHS, the proposed legislation will not significantly affect program operations, policies, or procedures.
- The proposed legislation will require minor system modifications to incorporate verifying proof of testing in the initial determination of licensure process and adds the new requirement for field staff to monitor if the child care agencies are in compliance.
- Any modifications and monitoring can be accomplished within existing resources without an increased appropriation or reduced reversion.
- The proposed legislation will not significant impact the number of child care agencies licensed in the state.

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.
